

BETHEL LOCAL SCHOOLS LUNCH INFORMATION FOR PARENTS AND STUDENTS

Plate Lunch Prices: (includes: Entrée, Grain, Fruit, Vegetable and Milk)

Elementary:	\$2.75
MS/HS:	\$3.00
Reduced Lunch Price is	.40 if qualified
Milk Only:	\$.40

There are three ways to pay for lunch:

1. **Cash**- students may bring cash through the lunch line and the cashier will load it onto their student lunch account.
2. **Check**- students may bring a check through the lunch line and the cashier will load it onto their account.
3. **PayForIt.net**- Parents can pay for their child's lunch and view lunch account balances via the internet at www.PayForIt.net (have student ID # when creating account)

*****Students will NOT receive any change back for payments made in cash or check*****

Once you create an account at PayForIt.net you can keep track of funds in your child's lunch account and request automatic notification of low balances. Please note that when you add money to the account it may take up to 24 hours to take effect. You can always send in cash or a check with your student and it will go on their account immediately.

We encourage parents to keep money on their child's lunch account as this greatly helps to keep the lunch line moving. The student just needs to input their student ID # (same number they use to access the computer) at the register.

We also have a "NO Charge" police in our cafeterias. If a student does not have the funds to purchase lunch they will be offered a peanut butter sandwich and milk. Again, this is why we encourage parents to create an account at PayForIt.net so you view student balances at any time.
