News From Quest

5th grade students participated in a mini unit involving graphing of ordered pairs in all four quadrants. The students applied their knowledge of graphing by the use of a needle and thread.

3rd and 4th grade students completed a graphing unit in which they were to identify lines, measure and classify angles. Upon mastery, the students created a product using needle and thread

Some of our fabulous finished products on display!

Bethel Singers Part of Something Bigger

Congratulations to the following student for being selected to the ACES choir as representatives of Bethel Elementary School:

Ella Gross

Ellie Larkins

Lilly Mihelcic

Layla Norris

Tiffany Moore

Madelyn Montgomery

Hayden Hobert

Bronson Mansfield

Adaline Etherington

Sean Austin Phipps

The students involved in the special choir will be staying after school with Miss Wolford to practice and prepare for their role in an upcoming concert. Those dates for practice are on Tuesdays over the next several weeks (Jan. 30th, Feb. 6th, Feb. 13th, and Feb. 27th). Students are selected for this choir from all over Miami County. Our students had to learn 8 new songs for their performance in March. We are proud to have our students perform and a music teacher who finds opportunities for students to showcase their talents. If you are interested in attending the concert, come out and support them on March 4th at Piqua High School!

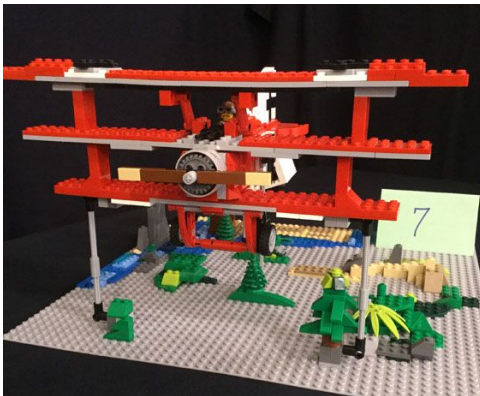

Deadlines Approaching For Camp Kern

If your 5th grade child has not turned in their information and payment for Camp Kern, the deadlines are approaching quickly. **All money, permission slips and medical forms for the trip are due by Thursday, February 15th.** We do not have school for students on Friday, Feb. 16th.

Lifetouch Spring Photos Coming Soon

Our school photographers will be here again on **Wednesday, February 7th** for Spring Pictures. Any student who wishes to purchase a Spring picture packet will need to have money and their completed picture packet with them on this day. Students photos will only be taken for those paying customers who wish to purchase them. We always have a great turnout for this opportunity and the photos are a nice addition for your family collection. It is fun to look back at school photos in years to come!

LEGO Building Contest

If you enjoy creating things with LEGOS, this might be the contest for you. It is sponsored by the WACO Air Museum and Learning Center located in Troy, Ohio. There are some really great prizes for each age bracket, and we encourage Bethel students to join the competition. See the link below for more information.
