## Picture Day

### **School Pictures take place this coming Tuesday, September 26th.**

All students will get their photos taken for the school yearbook purposes. If your family wishes to purchase school pictures, return the completed packet and enclose payment.

### **Schoology and Parent Access**

All students were provided with information about our new Schoology accounts, with a parent specific code to access this information system this week. A ONE CALL was also sent home that same night so that parents knew to look for the two page information packet in their child's bookbag or student agenda. Please review this, access this Schoology site, and use it as the "starting point" for all information from your child's teacher or to check grades using the Progress Book Link on the Schoology site.

### **State Testing Parent Reports Coming Home**

All students in grades 4 and 5 have a Parent Report coming home this week for your review of their testing results on the 2016-2017 Spring scores. You will notice that the Parent Report contains information about the state average score, the district average score, as well as your child's score. This is a good comparison for you to tell how successful your child was in each subject tested.

## PTO Direct Donation Campaign - **Two Weeks Left to Contribute**

The PTO group is giving a Direct Donation Campaign a try this year. They are hoping it will help eliminate most of the fundraising that has been done in the past. They are hopeful that many families would rather make one donation as to try and support various fundraisers throughout the school year. Students were provided the Direct Donation forms this week to bring home. **The Direct Donation Campaign will run Sept through October 6th**, and specialized shirts are given as a gift for your donations. Please see the link below for the Direct Donation form and feel free to send it back into school no later than October 6th!
