

BETHEL HIGH SCHOOL

ALTERNATIVE PHYSICAL EDUCATION PLAN

Your student may meet the requirements of two (2) semesters of Physical Education by participating in and completing two (2) seasons of sports, cheerleading or marching band. An injury, illness, suspension or athletic suspension could cause a season to not count towards the PE requirement. The two (2) seasons do not have to be in the same school year. There are no provisions for being exempt from one semester of PE. This is an all or nothing option. If a student has not met the requirements by the beginning of their senior year, that student will be placed in the PE classes needed for graduation.

Students electing the Alternative Physical Education option will reflect a "Z" grade on the permanent record which is NOT calculated into the cumulative grade point average.

The requirements and options presented here are set by the Ohio Department of Education and no credits are earned through this option. Currently, **21** total credits are required for graduation. Students graduating after 2018 will be required to earn at least **22** credits.
