

Bethel High School

Principal's Update 4-3-20

- Even though the Governor has closed schools until at least May 1, high school students must complete assignments that their teachers give. Failure to complete and submit assignments may jeopardize earning high school credit for the course, and may jeopardize athletic eligibility for fall sports. Students must check Schoology and their Bethel Gmail. Students should communicate with counselors and administration using Gmail.
- If a student is experiencing technical issues or problems with their Chromebook during this time, please contact Mr. Bryan Perez at perezb@blsk12.org.
- Students that are in Engineering Principles or Engineering Design courses and have questions, can contact their new teacher, Mr. Moore via email at moorej@blsk12.org or at jmoore@mvctc.com.
- The deadline to order high school yearbooks has been extended. Go to www.jostens.com. Cost for the yearbook is \$50. If you have any questions, please email Mrs. Brewer. High school yearbooks are through Jostens, not Lifetouch.
- Third Quarter grade cards are scheduled to be mailed out on Friday, April 17.

- We have changed our email provider at BLS. All Bethel employees now have new email addresses. Please note that employee email is; last name first initial @blsk12.org
- Seniors interested in college scholarship opportunities need to be sure to check the Bethel website frequently and check their school gmail for information from the school counselors. Some scholarships have deadlines that are quickly approaching. Contact your school counselor via email if you have questions.
