AUGSBURG MEMORIAL SCHOLARSHIP

History The Augsburg Memorial Scholarship was named for Fred and Susan Augsburg by the members of the ASMC Aviation Chapter as a lasting beneficial memorial to their friends. The Augsburg's were vibrant, outgoing, fun-loving individuals, and true professionals in their jobs. Tragically, in February 1987, they were killed in a traffic accident in Lexington, Kentucky. A drunk driver crossed the centerline and struck Fred & Susan while they were jogging. Both died from their injuries. Fred was born in Berea, Kentucky. He graduated Summa Cum Laude from the University of Kentucky in 1976, and was commissioned as a 2nd Lieutenant in 1976 assigned to the Aeronautical Systems Division (ASD), Wright-Patterson AFB. Fred entered Federal Civil Service in September 1980 as a Financial Manager, Propulsion Systems Program Office, ASD. Following additional assignments in ASD, he was promoted to Deputy Comptroller, 2750th Air Base Wing in August 1984. In November 1986, Fred was named Deputy Director of Cost, Air Force Logistics Command. Fred was named one of the Outstanding Young Men of America in 1985 and received numerous performance awards during his career. He was married to Susan Augsburg. Susan was born in Dayton, Ohio and graduated from Belmont High School in 1973. She entered the Federal Civil Service in September 1973 as a clerk/stenographer in the Directorate of Programs and Budget, ASD. In March of 1985, she was reassigned and promoted to the Comptroller's Training Assistant. She received numerous performance awards during her career.

Hello CCP College Coordinators!

I would like to inform you of Bethel High School's College Credit Plus Informational Nights this year on Wednesday, January 3 and Thursday, February 1st. You are invited to one or both (if you wish) of the Orientation Nights.

We will begin at 6:00 pm. on January 1 for the General session. This year I would like to turn the program over to the experts (YOU) as soon as possible so that everyone can get their priority information out to the audience, hopefully within one hour.

The second night is a Parent-Teacher Conference Night so I thought on the second evening we could allow family's to attend break-out sessions of their choice and actually process paperwork required for participation. I don't know how possible that is with the Intent forms not due until the end of March? I welcome your feedback on how much time you might need for two back to back sessions...6:00-6:30 & 6:30-7:00? This would allow families to attend two presentations/workshops.

I welcome your thoughts and invite you to attend Bethel's CCP Orientation Nights.

Thank-you,

PARENTS' QUICK GUIDE to SCHOOL SAFETY COMMUNICATION PROTOCOLS

Bethel Local School District has specific safety procedures and protocols coordinated with town personnel and local safety officials to cover a host of local emergencies. The District's Safety Team meets several times a year with local officials to review and update procedures. These plans are not posted publicly as much of the information is pertinent only to school personnel and local safety officials. In addition, we believe that certain security measures must remain confidential to only these people.

In an effort to strengthen school safety information while not divulging specific security information, we are listing for you the specific safety protocols with the methods of communication that parents would receive in the event of implementing a specific plan. Please see your child's building principal if you have specific questions regarding these procedures.

EMERGENCY DRILL	Methods of Notifying Students	Methods for Informing Parents

Superintendent or building safety designee would be responsible for media releases. 	<p>Parents would be notified via ONE CALL if a TOTAL SECURITY SITUATION occurred. <p>BUILDING EVACUATION The building evacuation protocol is to be followed in the event that the school must be immediately evacuated and children sent to a different location.</p>	<ul style="list-style-type: none"> The building safety designee would announce a building evacuation via the school intercom.
