College Sense Selective College Admissions and ACT Preparation Seminar

**Tuesday, February 20, 2018, from 8:00 am to 2:40 pm,
in the Tippecanoe High School Auditorium**

Bethel will be collaborating with Tipp City High School and Miami East High School to offer this six-hour, comprehensive seminar for our students for just \$59 each on Tuesday, February 20, 2018. Bethel will bus the students to Tipp City High School for the Session. The price includes the seminar, a comprehensive workbook, and access to online testing and assessment after the session. Similar programs range from \$199 to \$300 per student.

To register: Complete the attached registration form & bring it to the High School Office by Friday, February 9th. You also should include cash, check, or money order for \$59 made out to *Tippecanoe High School*.

Please remind your student to bring note-taking paper, pencils, a highlighter, and an optional calculator.

**Registration Form for the College Sense Selective College
Admissions & ACT Preparation Seminar
Tippecanoe High School, Tuesday, February 20, 2018, 8:00
a.m. to 2:40 p.m.**

Name _____ Grade _____

Address _____

City _____ State _____ Zip _____

Telephone _____ Email address _____

Please complete the information above & bring it, along with cash, check, or money order for the \$59 tuition made out to *Tippecanoe HS*, to the High School Office by Friday, February 9th. Thank you!

BETHEL LOCAL SCHOOLS

Mr. Jacob King, Bethel Board President

Mrs. Traci L. Brewer, BEA President

February 6, 2018

Negotiating teams for the Bethel Education Association and the Bethel Board of Education met last night for the first time since the Board elections in November, 2017. The entire membership of the Bethel Board joined its negotiations team to discuss the outstanding issues directly with Association leaders.

There were positive discussions and an exchange of priorities and interests between the parties. Both the Association and Board recognized the remaining outstanding issues are complex and will require collaboration and creativity to find solutions; however, both sides are optimistic they can reach an agreement.

It was jointly agreed that additional time will be necessary to fully research and explore the ideas and potential solutions discussed at the meeting. The next meeting is scheduled for March 5, 2018. Thank you.

PARENT DROP-OFF LINE

- It has been reported that there are several parents who are driving through the staff parking lot to drop off their student and/or to avoid the longer drop-off lines. Unfortunately, not only are some parents using the parking lot as a drop-off zone, the speed at which the vehicles are driving through the parking lot is that which could be dangerous for those students being dropped off and staff members walking across the lot to the cross-walk.
- We ask that all parents who are dropping students off to school **ONLY** use the designated drop-off lane closest to the building. Please do not use the parking lot as a drive-through or drop-off before or after school hours. (7:00 - 7:30, and 2:30 - 3:30).
- We appreciate your attention to this matter regarding the safety of our staff and students.

From the Guidance Counselor

Juniors and Sophomores Scheduling!

Are you still working on your scheduling packet for next year? The 18-19 Course of Study is now posted to the Bethel website. New offerings include courses in Technology, Debate, and Accounting. If you have not yet returned your scheduling packet, please bring it to the High School Office as soon as possible after you have reviewed these new course offerings. If you have already returned your scheduling packet and wish to adjust your courses for next year, see Ms. Lance in the Counseling Office asap!

Please see website for more information regarding scholarships.

Dorothy Walker Beach Scholarship info on website

Link on website for any student interested in Sinclair or WSU scholarships! 

PARENTS' QUICK GUIDE to SCHOOL SAFETY COMMUNICATION PROTOCOLS

Bethel Local School District has specific safety procedures and protocols coordinated with town personnel and local safety officials to cover a host of local emergencies. The District's Safety Team meets several times a year with local officials to review and update procedures. These plans are not posted publicly as much of the information is pertinent only to school personnel and local safety officials. In addition, we believe that certain security measures must remain confidential to only these people.

In an effort to strengthen school safety information while not divulging specific security information, we are listing for you the specific safety protocols with the methods of communication that parents would receive in the event of implementing a specific plan. Please see your child's building principal if you have specific questions regarding these procedures.

EMERGENCY DRILL	Methods of Notifying Students	Methods for Informing Parents
<p>SECURITY SITUATION This is a partial lockdown procedure when the general school population is not threatened, but there is an emergency involving a student or a small group of students. <i>(An example would be a student medical/behavior emergency or loss of power in the building)</i></p>	<ul style="list-style-type: none"> The building principal or designee would announce a security situation via the school intercom. 	<p>We would not usually be communicated this to parents unless it resulted in a more serious emergency causing a long disruption to the school day.</p>
<p>INTRUDER or LOCKDOWN DRILL This refers to a complete LOCKDOWN PROCEDURE or actual danger threatens the safety of the school population; students could be dispersed to different locations per procedures. <i>(An example would be a threatening intruder in the building)</i></p>	<ul style="list-style-type: none"> The building safety designee would announce a total security situation via the school intercom. Superintendent or building safety designee would be responsible for media releases. 	<p>Parents would be notified via ONE CALL if a TOTAL SECURITY SITUATION occurred. Specific instructions would be provided for student pick-up and location.</p>
<p>BUILDING EVACUATION The building evacuation protocol is to be followed in the event that the school must be immediately evacuated and children sent to a different location.</p>	<ul style="list-style-type: none"> The building safety designee would announce a building evacuation via the school intercom. Superintendent or building safety designee would be responsible for media releases. 	<p>Parents would be notified via ONE CALL if a building evacuation occurs with specific instructions for student pick-up and location.</p>
<p>BOMB THREAT Building evacuation procedures would be followed as directed by the police department.</p>	<ul style="list-style-type: none"> The building safety designee would announce a building evacuation via the intercom. Students would go to designated areas on the grounds to wait further instructions. 	<p>Parents would be notified via ONE CALL if a building evacuation occurred with specific instructions for student pick-up and location.</p>
<p>FIRE EVACUATION These procedures are implemented whenever the fire alarm is activated.</p>	<ul style="list-style-type: none"> A fire alarm is activated. 	<p>This would not usually be communicated to parents unless it resulted in a more serious emergency causing a long disruption to the school day.</p>
