## PARENT DROP-OFF LINE

- It has been reported that there are several parents who are driving through the staff parking lot to drop off their student and/or to avoid the longer drop-off lines. Unfortunately, not only are some parents using the parking lot as a drop-off zone, the speed at which the vehicles are driving through the parking lot is that which could be dangerous for those students being dropped off and staff members walking across the lot to the cross-walk.
- We ask that all parents who are dropping students off to school ONLY use the designated drop-off lane closest to the building. Please do not use the parking lot as a drive-through or drop-off before or after school hours. (7:00 - 7:30, and 2:30 - 3:30).
- We appreciate your attention to this matter regarding the safety of our staff and students.

*From the Guidance Counselor*

**MS and HS Students!** Did you attend the College Credit Plus meeting this year? Are you interested in earning college credit next year, on or off the Bethel campus? If so, the next step is to apply to the college(s) of your choice. Links for Sinclair Community College and Edison State Community College are on the CCP tab of the Guidance website. Remember to complete the Authorization page for Sinclair Community College PRIOR to applying for admission.

If you are a **continuing CCP student** next year you need not reapply, but you WILL need to register for the classes you wish to take. College deadlines apply!!!

**SENIORS!**

**Many new scholarship applications are being posted to the Scholarship page of the website. Be sure to check regularly for updates!**

*Please see website for more information regarding scholarships.*

# Join the fun while you learn at this **FREE** career exploration opportunity

## WHAT IS CAREER CAMP?

Career Camp is a **FREE** one-week exploration program designed to give students entering eighth, ninth, and tenth grades a hands-on experience in various careers to help them make good career decisions. For over 25 years, students from our partner schools have been attending the MVCTC Career Camp.

This year's camp will be held at the MVCTC campus the week of June 4-8, 2018. The camp runs from 9 am until 11:30 am each day. Transportation is not provided.

To register, complete the application form and turn it in to your guidance counselor or mail it in to MVCTC, ATTN: Becky Stump 6800 Hoke Road, Englewood, OH 45315. The deadline to register is May 4, 2018. A confirmation letter and any final information will be mailed to you prior to Career Camp.

### POSSIBLE CAREER EXPLORATION AREAS COULD BE:

**ARTS AND COMMUNICATION**

**AGRICULTURE/NATURAL RESOURCES**

**BUSINESS & INFORMATION TECHNOLOGY**

**HEALTH**

**HUMAN RESOURCES**

**BUILDING & CONSTRUCTION**

**PUBLIC SAFETY**

**TRANSPORTATION SYSTEMS**

**INDUSTRIAL TECHNOLOGY MANUFACTURING OPERATIONS**

## PARENTS' QUICK GUIDE to SCHOOL SAFETY COMMUNICATION PROTOCOLS

Bethel Local School District has specific safety procedures and protocols coordinated with town personnel and local safety officials to cover a host of local emergencies. The District's Safety Team meets several times a year with local officials to review and update procedures. These plans are not posted publicly as much of the information is pertinent only to school personnel and local safety officials. In addition, we believe that certain security measures must remain confidential to only these people.

In an effort to strengthen school safety information while not divulging specific security information, we are listing for you the specific safety protocols with the methods of communication that parents would receive in the event of implementing a specific plan. Please see your child's building principal if you have specific questions regarding these procedures.

EMERGENCY DRILL	Methods of Notifying Students	Methods for Informing Parents
<p><b>SECURITY SITUATION</b> This is a partial lockdown procedure when the general school population is not threatened, but there is an emergency involving a student or a small group of students. <i>(An example would be a student medical/behavior emergency or loss of power in the building)</i></p>	<ul style="list-style-type: none"> <li>The building principal or designee would announce a security situation via the school intercom.</li> </ul>	<p>We would not usually be communicated this to parents unless it resulted in a more serious emergency causing a long disruption to the school day.</p>
<p><b>INTRUDER or LOCKDOWN DRILL</b> This refers to a complete LOCKDOWN PROCEDURE or actual danger threatens the safety of the school population; students could be dispersed to different locations per procedures. <i>(An example would be a threatening intruder in the building)</i></p>	<ul style="list-style-type: none"> <li>The building safety designee would announce a total security situation via the school intercom.</li> <li>Superintendent or building safety designee would be responsible for media releases.</li> </ul>	<p>Parents would be notified via ONE CALL if a TOTAL SECURITY SITUATION occurred. Specific instructions would be provided for student pick-up and location.</p>
<p><b>BUILDING EVACUATION</b> The building evacuation protocol is to be followed in the event that the school must be immediately evacuated and children sent to a different location.</p>	<ul style="list-style-type: none"> <li>The building safety designee would announce a building evacuation via the school intercom.</li> <li>Superintendent or building safety designee would be responsible for media releases.</li> </ul>	<p>Parents would be notified via ONE CALL if a building evacuation occurs with specific instructions for student pick-up and location.</p>
<p><b>BOMB THREAT</b> Building evacuation procedures would be followed as directed by the police department.</p>	<ul style="list-style-type: none"> <li>The building safety designee would announce a building evacuation via the intercom.</li> <li>Students would go to designated areas on the grounds to wait further instructions.</li> </ul>	<p>Parents would be notified via ONE CALL if a building evacuation occurred with specific instructions for student pick-up and location.</p>
<p><b>FIRE EVACUATION</b> These procedures are implemented whenever the fire alarm is activated.</p>	<ul style="list-style-type: none"> <li>A fire alarm is activated.</li> </ul>	<p>This would not usually be communicated to parents unless it resulted in a more serious emergency causing a long disruption to the school day.</p>
